Republicans, Don't Relax Your Efforts. The Republicans in Old Franklin have everything to encourage them to renewed effort from now until next Tuesday week. The Demorracy boasted that they would carry every Theodore. Township in the County, and that their majority would be 1,500 or 1,600. Their major isy is 1,260-between 200 and 300 less than they calculated it would be. By subtracting majority would dwindle down to 954. Wheth- States. er this Democratic increase was caused solely by the influx of foreigners, or whether it was partly the result of illegal and fraudulent vo-

ting, remains to be seed. On the other hand, the Republicans have gained in Fairfield and White Water Townships, elected their Township Assessor in Posey, carried the Townships of Bath and Metaamora, and have manfully held their own in the other Townships. They have increased their entire vote in the County from 1,538 in "66 to 1,561 in '68-s gain of 23. Let Repub licans take courage from the glorious results Vermont and Maine, and keep their ranks in the grand victorious army that is to compel the final surrender of the enemy on the third day of November next Don't relax your Iy, and all will be well.

Business is almost suspended, and men stand on the streets inquiring for and talking over the latest news. Yesterday the Democrats were excans received cheering news in the evening, and took the contract for rejoicing off of Democratic hands, and great bonfires flamed at the street crossings, and a miscellaneous crowd of men and boys, inspired by the wildest enthusiasm, paraded he streets. It is stated that George W. Julian is elected by a small majority. There is great satisfaction felt over this result.
